Dear Parent/Carer

## **EXAM RESULTS COLLECTION**

I am writing to give you the details of what will happen regarding your child's GCSE results this summer.

Your child will be able to collect their results anytime **between 10.00am and 12.00pm on Thursday 21<sup>st</sup> August 2025**. If your child has requested that they receive their results by email, they will be sent to the email address that your child has provided. If your child is unable to collect on the day and a parent/carer is collecting on your child's behalf, **they must have been named on the results collection letter that was given to your child in May**. It is important that they also bring photo identification with them when collecting the results.

Any exam results not collected on the 21<sup>st</sup> August 2025 will be posted out to the home address that is currently on the school system for the child.

On the day, there will be members of the Senior Team available in the Dining Room to answer any questions and to give advice.

Please note that the results do **not** include the GCSE certificates, as the school receives these in November. We will contact your child nearer the time regarding how and when they will be able to collect their certificates.

We look forward to seeing your child on Thursday 21<sup>st</sup> August 2025.

Yours faithfully

**Mr J Oxley**

**Exams Manager**

**Headteacher:** Mrs Rachel Smith
