

Health and Social Care - Department Learning Programme

Curriculum Intent: To understand key concepts of Health and Social Care and develop learning and practical skills that can be applied to real-life contexts and work situations. To think creatively, innovatively, analytically, logically and to develop independence and confidence in using skills that would be relevant to the Health and Social Care sector and more widely.

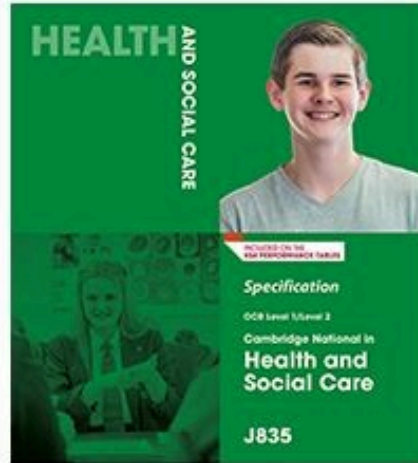

Year 10 – To learn about supporting individuals through life events and the principals of care in health and social care settings.

Year 11 – To learn about Health Promotion Campaigns.

We follow the Level 1/2 Course OCR Health and Social Care
