

# History Learning Programme

## Curriculum Intent:

Humanities is the study of the world and the people in it. History is part of the Humanities Faculty at Fir Vale School and your child will study History to explore events and people from the past.

Skills in History:

- To develop a knowledge and understanding of key events in the past and link them to today's world to enable students to make connections between life today and how it developed from past events.
- To develop a range of skills including using evidence assessing, judging, evaluating and interpreting that are essential for decision making that you will make in everyday life in your future.
