What will I learn?

Cambridge Nationals in Creative iMedia are media sector-focused, including ICT, Gaming, Animation, Web-development, Film and Television. They provide knowledge in a number of key areas in this field from pre-production skills to digital animation and have a motivating, hands-on approach to both teaching and learning. Cambridge Nationals deliver skills across the whole range of learning styles and abilities, effectively engaging and inspiring all students to achieve great things.

Benefits:

- Develops knowledge of standard ICT hardware and software
- Develop skills of working with others and communicating creative concepts effectively
- Develops knowledge of a range of different software applications
- Develops ability to manage documents and data in a variety of applications

How will I be assessed?

Your course is made up of three units:

- Creative iMedia in the media industry (exam)
- Visual identity and digital graphics (coursework)
- Characters and comics (coursework)
