Dear Parents / Carers,

As we reach the end of the week, I would like to take a moment to thank you for your continued support.

I am very proud of how our students have responded this week. They have shown kindness, respect and maturity after an unsettling experience last week. Their good manners and positive attitude to learning have been clear to see. Thank you for the part you play in supporting them to do this. I would also like to thank our staff, who have worked hard to make sure school remains calm, safe and focused on learning.

I would like to thank everyone who has been in touch to offer support and to share feedback. We really value hearing from you. We listen carefully to what you tell us, and your views help us to improve and move forward together as a community.

We have been in contact with our local MP, the Local Authority and the Police to make sure we are doing all we can to reduce any risk of community tensions affecting the school. You may have noticed an increased police presence in and around the school. This is purely precautionary and is in place to provide reassurance and to help keep everyone safe.

We have taken the strongest possible action against the students who were significantly involved in Thursday's incident. The safety of our students and staff is non-negotiable. Everyone at Fir Vale has the right to feel safe in our academy, and where behaviour places that at risk, we will take decisive action.

It is important to us that recent events do not change the strong relationships between our families, staff and students. Our focus is on the future and on supporting one another.

We will continue with the school improvement journey including significant investment which is already well underway and we remain committed to giving every child the best possible education and care. By working together, we will ensure that our school is a place where every child feels safe, valued and able to succeed.

Thank you again for your ongoing support.

Yours sincerely

Mr D Bullock
Principal
