Dear Parents and Carers,

You will be aware of a serious incident at school this morning which resulted in the police being called. Whilst taking place within school, the incident stemmed from recent community tensions. I would like to thank staff and the majority of students who were not involved for their calmness and responsibility during what was an unsettling event.

We will be doing everything within our power to ensure that those responsible for the incident are dealt with effectively by the Police and the relevant authorities. We are clear that the school is not the appropriate forum for community tensions to be addressed and the school should be a place of respect, learning and stability. Behaviour of this nature will not be tolerated, and the school will be taking swift, strong and decisive action around this.

We are proud to serve a number of communities within the school but we will not allow tensions from outside to impact on the day to day running of the school.

Please be assured that we are taking this incident extremely seriously and we will be working with those across the community to ensure it does not recur.

The academy will be open as normal tomorrow and we look forward to welcoming students who represent the values of our academy.

Yours faithfully

Danny Bullock
Principal
