Dear Parents, Carers and Families,

I am writing to thank you for the positive and supportive way you responded following the significant challenge our community faced yesterday. We recognise that yesterday was a difficult time for many of our families. We are very grateful for the calm, caring and thoughtful way you supported your children and our school.

Today, our children returned to school exceptionally well. They showed respect and kindness to members of staff and one another. They showed that they value the education and care our school provides. We are very proud of them.

One of our school values is togetherness. Today, that value truly shone through. Families from all parts of our community stood together. We are a diverse community, and our strength comes from caring for one another. That spirit was clear to see.

Thank you for your continued trust and partnership. By working together, we help our children feel safe, confident and ready to learn. We are proud of our whole community and the way everyone has responded.

We now look forward to moving on from this incident and continuing our important work together.

With sincere thanks,

Danny Bullock  
Principal
