What will I learn?

The Entry Level Certificate in Science has specifically been designed to closely match the programme of study and provide a progression route to GCSE Combined Science. The certificate supports advancement in science by cementing core understanding and maximising engagement with the subject.

It will focus on the 3 Sciences; Biology, Chemistry & Physics.

How will I be assessed?

You will sit 6 tests out of 25 marks each:

- 2 Chemistry papers
- 2 Biology papers
- 2 Physics papers.

All of these combined marks will give a level 1, 2 or 3 award.

Future opportunities

Level 2 courses in Science.

After completion of Level 2 you can then go onto Level 3 Science courses:

Medicine, Dentistry, Pharmacy, Optometry, Engineering
