Dear Parent/Carer,

Mock Exams

On **Monday 15th June**, the second set of Year 10 Mock Exams start. These will last until **Wednesday 8th July**. The exam timetable is printed at the end of this letter. All students will be given a copy of the timetable and will be on display in their tutor room.

It is vital that these exams are taken seriously. Students will be spoken to about how important these mock exams are. We expect all students to prepare and revise well, show a positive attitude to the mock exams and behave correctly before, during and after each exam. We will be consistently communicating this message to all students and would appreciate if you could support this through your conversations at home.

Attendance over the mock examination period is crucial. **Therefore, please could you make every effort to avoid making appointments or taking any holidays during this period.** It is also important that students are punctual to school and their exams.

Further, I would like to stress that **all mock examinations are important**, not just the core subjects (English, maths, science).

Finally, all students have been given a revision pack, including important details about each exam. This should be used to help your child to revise and prepare to do the best that they can.

Booster Sessions

Booster sessions will be offered for the morning exam of each day. These will start at 8:15am. The timetable for the booster sessions will be shared with students. Students need to arrive at school in time for the boosters, which will be led by an experienced member of staff and will contain vital exam tips and key content.

Please support your child during this important period. This link is especially useful, giving good advice and guidance about how you can support your child:

[Help your child beat exam stress - NHS](#)

If you have any questions or would like to discuss anything in more detail, please contact me on kbarnett@firvale.com

Kind regards,

Mr. Barnett - KS4 Academic Lead.
