

# FIR VALE FORTNIGHTLY

## *Principal's Message*

As we reach the last week before half term, it has been wonderful to see how hard our students have been working, trying their best, and not giving up. Year 10 Mock Exams, Year 11 Intervention, Drop Down Day and classroom visits have all shown this. We have also given rewards to students to celebrate their hard work. Some students have earned raffle tickets in lessons, opportunities to attend positive reward trips and points logged on Arbor. These are just a few ways we are celebrating our students.

At the same time, we are working hard to make sure corridors are calm, students are in lessons and students making poor choices are appropriately supported and challenged.

Next week, I will write to you about some changes we are making to how students leave school, what happens at break time, and other things we are improving in the academy that will start after the half term break.

## Drop Down Day!

An inspiring day supporting our students with the next steps in their education and beyond!

Students took part in a range of valuable and engaging sessions, including:

- ★ Careers education

- ★ Emergency First Aid
- ★ Mock Exam Preparation & Revision Techniques
- ★ A powerful live **Drama & Consent Assembly**

We're proud of how positively our students engaged with each workshop — building confidence, life skills, and future-ready attitudes.

Well done to everyone involved for making the day such a success!
