A Bit Fishy!

Y10 Hospitality and Catering students were very excited to have been chosen to receive a free case of pink salmon.

We are one of 300 schools to receive some of the 3,600 can of Alaska pink salmon, donated by AlaskaSeafoodUK. They will be using it to make fishcakes.

Reach for the Sky!

Three Y8's took part in the Sheffield federation for school sports trampolining competition.

The students were a credit to the school and were extremely professional.

We are now looking forward to many more trampolining competitions in the future.

Science Week!

During Science week, students visited The Deep, Magna and the Thackery Museum.
