Charges and Remission Policy

Introduction
This charging policy has been compiled in line with DfE requirements and in accordance with S449-462 of the Education Act 1996. It applies to all students on roll.

School Educational Visits

1 Day Educational Visits

No charge will be made for non residential visits which are essential to the National Curriculum, statutory RE or in preparation for prescribed examinations and take place during school hours or are an essential part of the curriculum.

2 Residential Visits – Essential

For residential visits which are essential to the National Curriculum, statutory RE or in preparation for prescribed examinations, a contribution will be requested for board and lodging.

3 Residential Visits – Non Essential

For residential visits which are not essential to the National Curriculum, statutory RE, or in preparation for prescribed examinations, a charge will be made to cover all costs associated with the visit unless separate funding is identified.

Examination Entries

A charge will be made where a student fails without good reason to complete the requirements of any public examination and where the school has paid the entry fee.

Materials and Textbooks

Where a student or parent wishes to retain items produced as a result of creative studies, a charge may be made for the cost of the materials used. Essential textbooks are provided free of charge but in some subjects additional revision material and books are available for which a charge may be made.
Music Tuition

In the past the school has funded the entire cost of instrumental lessons, however due to budget limitations the school will now fund 50% of the cost of music lessons. For eligible families the remaining 50% will be funded by bursaries from the Sheffield Music Hub.

In order to qualify families must be in receipt of one of the following:

- Free school meal eligibility
- Income support
- Income based Job Seekers Allowance
- Working tax credit, where annual income is below £15,000

If families do not meet any of the eligibility criteria, then the cost of lessons will need to be met by the parent. This will be £35 per term (as of 20/09/16). If this cost is not met, then lessons will be stopped and the place given to another student.

Students who display exceptional musical talent and / or take an active part in the school music activities or are taking music at Key Stage 4 as an option subject (GCSE or RSL) will be funded by the school. Further bursaries are also available for students with Special Educational Needs.

Activities Outside School Hours

1  No charge will be made for activities outside school hours that are part of the National Curriculum or religious education or that form an essential part of the syllabus for an approved examination.

2  For all other activities outside school hours, a charge may be made up to the cost of the activity.

Damage/Loss to Property

1  A charge will be made in respect of willful damage, neglect or loss of school property (including premises, furniture, equipment, books or materials). The charge to be the cost of replacement or repair or such lower cost as the Headteacher may decide.

2  A charge will be made in respect of willful damage, neglect or loss of property (including premises, furniture, equipment, books or materials), belonging to a third party, where the cost has been recharged to the school. The charge to be the cost of replacement or repair or such lower cost as the Headteacher may decide.
Voluntary Contributions

Where the school cannot make charges and it is not possible to provide these additional activities within the resources usually available to the school, the school may request or invite parents to make a contribution towards the cost of the activity. However, where there are insufficient voluntary contributions or other funding to make the activity possible, then it will be cancelled.

Consideration for Financial Assistance

For residential activities, which are a statutory requirement for the curriculum, consideration for financial assistance will be given to a parent/carer of a student who is in receipt of any of the following:

- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family’s income (as assessed by Her Majesty’s Revenue and Customs) does not exceed £16,190 (Financial Year 2012/13);
- the guarantee element of State Pension Credit; and
- an income related employment and support allowance that was introduced on 27 October 2008.

In these circumstances there will be no charge for board and lodgings.

Remission Policy

The Headteacher or Finance, Premises and General Purposes Committee of the Governing Body may, in full or in part, refund, charges in respect of a student or particular activity, if it feels it is reasonable in the circumstances.

Use of Premises - Lettings Policy

1. The Headteacher will be responsible for all matters concerning lettings of premises within the ‘operating hours’ as defined in the PFI contract. Facilities will only be let when they are not needed for school purposes.

2. The aim of the lettings policy is twofold: to generate income for the education of students; and to enable the provision of community facilities, which benefit students and their families.
3 No facility will be let to any person or organisation for a purpose, which in the opinion of the Headteacher is inconsistent with the aims and values of the school.

4 No letting will be subsidised from the resources provided for the education of the students. All hirers will be required to demonstrate to the satisfaction of the Headteacher that they have adequate insurance to compensate the school for any damage they may cause; the Headteacher should consult the Council’s Insurance Officer as to the adequacy of the insurance.

5 Requests for lettings must be notified to the Headteacher with details of
   • Hirer’s name;
   • Facilities required;
   • Activity for which letting is required;
   • Date(s), duration and frequency;
   • Evidence of adequate Public Liability insurance.

6 Lettings will be charged against two categories,
   a) 50% of the full rate when the event demonstrates community benefit.
   b) Full rate in respect of commercial activities.
