Dear Parent/Carer

Due to the current situation around Coronavirus, as of tomorrow, Thursday, 19th March, we are now only open to Y11 pupils and children of key workers (e.g. NHS, emergency services, carers etc.)

If your child receives free school meals and you would like them to receive a lunch bag while school is still officially open, please phone the office on 0114 243 9391 to pre-order your child’s lunch by 8:30am on Thursday 19th March 2020. This can be collected from the dining hall between 11:45am-12:15pm everyday.

Thank you for your understanding and support at this time. The main source of communication during this time will continue to be the school website https://www.firvale.com/. Please check regularly for any updates.

Click on the Important Notices on the home page and you will find up-to-date advice on home learning. Please ring 0114 243 9391 this week for further information from a specific teacher if you are unsure as to what to do.

All pupils in Years 7-10 have been sent home with a pack of work and work is also on the website as shown below. There will prizes for Y7-9 for the best project work. Get creative! Y10s have been sent home with GCSE work and full Google Classroom access is found below on the website.
Thank you to all those who donated to our food appeal. Anyone else who wants to donate please give to reception by the end of this week.

School officially breaks up for the holidays on Friday 27th March and we are due to return on Tuesday 14th April. Due to Coronavirus we are unsure of whether this will still happen. **Please check the school website every Sunday night for updates.**

Thank you again for your support and patience at this difficult time.

Yours faithfully

Rachel Smith
Headteacher
