A message from our Headteacher

Happy Half Term!

There are many highlights for me this half term, ranging from the girls’ basketball team (through to the finals at EIS in March - good luck!) to the launch of The Fir Vale Nine - a series of nine challenges our pupils can work on throughout their school career (see letter enclosed!)

The latest highlight for me, has been the artwork donated and created for us by the fabulous Leigh Readhead. Local street dancer and internationally recognised graffiti artist, Leigh donated Fir Vale School his time and expertise and created what can only be described as a stunning and unique piece of art work. Why not pop in and see for yourself?

So many people have generously donated their time again this half term in our series of ‘Inspiring People’. Our focus is on each one of us making a positive difference to our school and wider community. If you would like to help or you would be interested in being a parent governor to help shape the future direction of Fir Vale school, contact jlawson@firvale.com to pick up an application form. Voting will take place during April.

Finally, do follow us on Facebook or twitter @FirValeSchool and check the website www.firvale.com to keep up to date. Happy holidays!

Mrs Smith, Headteacher, Fir Vale School
